*Approved Digitally By Chief Engineer
Phil Ellingworth*

Disclaimer

This certificate is issued based on submitted documentation and MTM Type Approval Recommendation (TA01629, dated). The certificate remains valid until the date specified above, unless cancelled or revoked, provided the service restrictions indicated are complied with and the product remains satisfactory in service. It will be null and void if the manufacturer is changed or if any changes or modifications are made to the product without notification and agreement in writing with MTM. MTM cautions manufacturers to review and maintain compliance with all other standards/specifications to which the product may have been assessed. Further, unless it is specifically stated in the description of the product, Type Approval does not waive the requirement for product inspection and adherence to disclosed manufacturing procedures. MTM assumes no responsibility or liability for any loss, damage, or expense caused by reliance on the information or advice in this document.
